Spoil your dog with walks and save

25% Off On Walks During 4th Week

Book *Fitness for Paws* dog walks for 4 week duration
and save 25% on walks during the 4th week.*

Now that kids are back to school, and the weather is becoming cooler, it's the perfect time to arrange for a LP&HS pet sitter to ensure that your dog obtains enough exercise by arranging walks during those days you're busy at work, or when you're spending time in the evening with the kids. We offer affordable individual and group walks starting at \$16.50.

We encourage you to talk to your neighbours with dogs in order to start a group dog walk program in your neighbourhood. Group dog walks are beneficial if your dog thrives on having a connection with other dogs, and really enjoys interacting with other pups. Group walks help your dog learn how to socialize with other dogs, which is an excellent skill for all dogs.

Group walks generally work best with 3 dogs, and all the dogs should be located within your neighbourhood in order to facilitate organizing the group together for the walks. Give your dog the treat of spending time on a regular basis with their doggie friends while also getting the exercise they need and deserve!

*25% off applies to a # of walks during 4th week where that # does not exceed the total # of walks during weeks 1, 2, and 3, divided by 3.
